

OSBORN LAWN MOWER SHARPENER

The only practical and easy one

Does the work quickly. Keeps lawn mowers in perfect cutting condition. Fits any blade. The sharpener follows the curve of the knife and gives the proper bevel. The iron holder has a neat and durable "Tucker," bronze finish; the file has four cutting sides, which, when worn, can be turned by simply loosening the screws in holder.

**SIMPLE IN
CONSTRUCTION**

**ALWAYS READY
FOR USE**

Sharpeners are packed one dozen in compartment box, having hinged cover, with neat two color label, making an attractive display package.

Size of box, 11 x 9 $\frac{1}{4}$ inches.

RETAIL PRICE.....25 cents each
